Hi Chris and John,

I have made what I hope are the final changes to the access agreement and cleared them with OGC. The access agreement and the two insurance exhibits (C & D) are attached for your final approval. Exhibits A (CHK's agreement with the surface owner) and B (property description) to the agreement will need to be provided by CHK.

[attachment "Exhibit C Drilling Subcontractor requirements 09-25-12 FINAL.docx" deleted by Jeanne Briskin/DC/USEPA/US]

I made slight changes to the access agreement in that:

1. I expanded the title
2. I changed section 6 to refer to "professional services subcontractors" rather than "all other subcontractors," to be consistent with the language used in Exhibit D, which CHK had approved.
3. I added a section 14 to list the exhibits to the agreement.

I made no changes to Exhibits C and D other than to label them C and D and accept all changes.

If you are comfortable with the agreement and the insurance information for our prime contractor (Ecology and Environment) that I provided by my E-mail on September 12, 2012, please add exhibits A and B and send it back to me; then we will get it into the signing process.
